PARKES B. CHURCHILL

Music by

Moderato

Oh sweet-heart do say you'll be true And be my air-ship queen — We'll
You say the word then like a bird Up in the air we'll start — On

reign on high up in the sky In our fly-ing ma - chine — For
high we'll soar the whole world o'er For you have won my heart — If

ev - er-more the whole world o'er Our love shall ev - er reign — Up
you say so a - way we'll go Where love is ev - er true — Hap-

in the air while fly-ing there In our lit - tle aer-o - plane. —
py we'll be o'er land and sea In an air-ship built for two. —
